Motor: 462 C.I. Stroker
Transmission: Turbo 400 Automatic
Special Features: Front Disk Brakes / 9" Ford / Molded Trans AM Hood
Interior: Bench seat stock interior
Paint: White Pearl

The Auto Archaeologist

by ryan Brutt

Hard to believe here we all are at Spring Jefferson 2025! Feels like yesterday I was waiting at the north gate at 6 am in the snow to start searching for the elusive Mopar Parts. But I did find some gems that's for sure!

Hello! My name is Ryan Brutt, in some circles (usually of my own mind) I am called "The Automotive Archaeologist". I drive around and document cars that have been sitting in neglected situations for a long time.

Usually that means barn finds, junkyards, backyards, converted churches and schools. I've traveled through a good chunk of the midwest and some small shots into other locals hunting the rare and desirable.

Most of the time it is quite the adventure, you never know what you are going to find. The thrill of the hunt is not to be underestimated. I've stumbled upon random collections of rare Mopars, yards full of GM Muscle Cars, junkyards lost to the sands of time. There is still plenty of cool stuff out there to find.

Which leads me to the downside of what all this is, it is cool. That is a great thing in most cases. Unfortunately it also makes it desirable to others. And being rotting in a yard or field or barn can lead to bad situations.

That's why I keep everything I do anonymous, to protect the owners of the cars and their history. I just want to tell their story, without having people knocking on their doors trying to take their vehicles.

Recently I visited a friend in Michigan with a collection of cool Muscle Cars stashed away in the back of his salvage yard. One of the cars being a wrecked 1970 Plymouth AAR 'Cuda. Sometime over the past six months someone broke into his yard and cut the quarter decals off the car, because they were cool.

It wasn't because of something I did, I know since I never revealed the owner's location. But the fact that someone had the gumption to do all that, for a piece of art is astounding. And then when I shared what had happened on social media, half the people thought it was ok to do that, since the car was a wreck in his yard. Blew my mind.

Thankfully things have changed to protect my friend's yard, but we all have to be very steadfast to keep those things we cherish safe. There are plenty of bad people out there ready to do something about it.

AUTO CITY CLASSIC

763-444-5880

Jefferson Auto Swap Meet & Car Show

Spring is here and so is the 48th Annual Jefferson Swap Meet & Car Show on April 25-26. Now two days! The Automotive related event will be held at the Jefferson County Fair Park located at 503 N Jackson Ave, Jefferson, WI 53549 just off Hwy 18.

Madison Classics has always strived to provide a great place for auto enthusiasts to buy, sell, and display a variety of auto related items and vehicles. The event draws hundreds of vendors and spectators from just about every state. There are also folks that travel from as far as Europe each year for the swap meets! Whether it's a professional vendor or a hobbyist cleaning out their garage, the vendors at the Jefferson Swap Meets know one thing - this is the auto swap meet to attend in Wisconsin.

Madison Classics Spring Jefferson event will feature Pontiacs. The featured cars will be displayed in the main Activity Center Building and be sure to look for a larger display of vehicles in front of the main building lined up Friday & Saturday morning behind the Show Car registration tent. "It's a tradition!" Gary Esse stated, "The City of Jefferson and surrounding communities have shown great support for our events, and we have made many lifelong relationships here. We greatly appreciate that and thank everyone for 48 years and many more to come!"

Spring Jefferson Swap Meet / Car Corral & Car show is now two days April 25-26. The spectator gates for the Swap Meet / Car Corral are open Friday 8 a.m. - 4 p.m., Saturday 6 a.m. - 4 p.m. All makes and models and specialty vehicles are invited to participate in the

Car Show. No pets please.

Madison Classics is proud to promote its newest swap meet and car show, a tribute to President Gary Esse, Gary's Hot Rod Reunion (GHRR). The event will take place on June 21st, 2025 in Union Grove Wisconsin, located at the Racine County Fairgrounds. The show will feature an automotive related swap meet, show quality only car show and cars for sale corral.

Madison Classics will be following close to their long-proven recipe similar to Jefferson's swap meet, car show and car corral at GHRR. The biggest difference with GHRR will be only allowing automobile related items at the event. Madison Classics goal of GHRR is to reunite everyone who has a passion for classic cars. In the words of Madison Classics operator Erick Esse, "GHRR is a gathering place to reminisce, reconnect, and celebrate the hobby we all love so much." As the promoter of Spring and Fall Jefferson (one of the biggest swap meet and car shows in the Midwest), Madison Classics is no stranger to classic automotive events.

Madison Classics is proud to hold 3 events this year;
Spring Jefferson April 25-26, 2025
Fall Jefferson September 26-27, 2025
@ the Jefferson Co. Fair Park.

Gary's Hot Rod Reunion June 21, 2025
@ the Racine Co. Fairgrounds.
